

About Author Ravi Dabral

Winner of “International Man of Excellence Award for Education, Corporate & Social Services” and holds over 25 academic and professional qualifications.

Ravi Dabral was born in Dehradun, Uttarakhand (known as Devbhoomi, abode of Deities & Gods), India. Currently he is staying in Singapore. He is an aspiring author having knowledge of materialistic aspects (*being an international commodity trader and experience in dealing with many stakeholders*) leading to a stressful & cut throat competitive world. He has keen interest in philosophy & spirituality thus well equipped to write both non-fiction and fiction book (keeping in mind both sensual & spiritual pleasure) with the ultimate objective to make this world a better place to live in. Ravi has over 25 years' experience in international trade, has multiple-qualifications (*Lawyer, Mediator & Arbitrator*) & multi-disciplinary skills with interests in psychology, philosophy, spirituality and personality development aspects which help in characterisation, narrative and descriptive writing.

For around 10 years, Ravi is working as a Commodity Trader in an international commodity trading company based in Singapore. Ravi is also associated with NRIs / seed and venture capitalists who invest in natural, organic and herbal farming thus developing economy at village level to help farmers at root level. Ravi believes that value system, morals, ethics and virtuous life (spiritual traits) play a vital role in today's materialistic and dynamic world to live a healthy (physical, mental, social and spiritual) life. He has a vision to imbibe these into the society at global level in order to protect environment and hence mankind in today's materialistic world. Ravi is married to Sarita (a teacher) and has two children Namita and Avi.
